CLUB NOTES

Tonight we give a warm welcome to the Players, Officials and Supporters of Bolton Wanderers on the occasion of this Pre-Season Friendly match at Belle Vue.

David Felgate has recently signed for Bolton, and we wish him well in this important step towards what we all hope will be a most successful soccer career. David's move is a good example of the opportunities available for our young players following their successful 1976-77 season when they won the North Wales Youth Cup, and also provided several players for the North Wales Coast F.A. Youth XI, which won the National Youth Tournament organised by the F.A. of Wales.

New signings to date include Tommy Maguire, ex-Liverpool and Everton Williams, formerly with Wrexham. Further signings should be announced shortly in a genuine attempt to improve on last season's performances. We anticipate early season encouragement from our supporters, so vital towards the success of our teams on the field.

Note will have been taken of our close-season activities to improve ground facilities. We are optimistic of a comprehensive programme of further improvements being organised with the support of the Job Creation Scheme. Watch this space for further news.

It would be proper at this stage to pay tribute to the small band of workers who have helped with close-season work on the ground. No names will be mentioned, at their request, but nevertheless, their efforts are sincerely appreciated.

Having brought you up-to-date with the news, back to tonight's game. We look forward to a sporting encounter providing spectators with some early soccer entertainment. Welcome to all supporters, and new may we see you at the other pre-season games — details on back page, and also at our future Cheshire League and Welsh League fixtures. Your continued support is a vital contribution towards future success.

Yours in sport,

JOHN B. WILLIAMS, General Manager.
